BOOK SYNOPSIS

CLINICAL SUPERVISION: THEORY AND PRACTICE is a comprehensive text on the theoretical and practical aspects of supervision. While the authors offer thorough coverage of supervision models and theory, ethics and supervision trends, they also include numerous self-assessment exercises at the end of each chapter, case studies and other applied activities. An optional companion DVD which uses 10 different cases to demonstrate various approaches to supervising helping professionals is available for use with this text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

CLINICAL SUPERVISION THEORY AND PRACTICE HSE 160 260 270
