BOOK SYNOPSIS

A new and comprehensively revised edition of BAAF's popular handbook introduces grandparents-to-be and other relatives to information about adoption today. It offers facts about the children needing adoption, processes and procedures and, most importantly, discusses how the wider family can support and be involved in building a family through adoption. Quotes and snippets from family stories add an immediacy to this accessible and informative guide, which also includes contributions from grandparents. Newly updated for 2014.
