BOOK SYNOPSIS

Bob Miller has taught math to thousands of students at all educational levels for 30 years. His proven teaching methods help students master the math portion of the ACT and boost their scores! Written in a lively and unique format that students embrace, Bob Millers Math for the ACT prepares ACT test-takers with everything they need to know to solve the math problems that typify the math portion of the ACT. /Unlike some dull test preps that merely present the material, Bob actually teaches and explains math concepts and ideas. His no-nonsense, no-stress style and decades of experience as a math teacher help students understand math. Each chapter is devoted to a specific topic and is packed with examples and exercises that reinforce math skills.
