BOOK SYNOPSIS

Whats the spin on your skin? Youll enjoy reading and learning about the basics of skin care with practical, realistic advice from the professionals. Learn how to care for your skin and maximize its health and beauty potential. Learn what skin care product ingredients do and what kinds of products are best for certain skin types. While other books written by dermatologists give scientific explanations, the renowned skincare specialists in Basic Skin Care offer easy-to-understand information and real-life examples tailored to individual skin types and conditions. All of the latest in treatments and procedures are provided, as well as guidance on balancing home skin care with professional solutions
