## BOOK SYNOPSIS

They call him Beast because he fights and f\*cks like one. Because hes built like the tanks he rode in Afghanistan. Beneath Conrad "Beast" Beeston IIIs fierce, intense gaze, his brooding temperament, his knuckles scarred from fighting, lurks a wild man, his strong, broad back darkly inked with his own hard truths. He only has one mode, and "Beast" is it. He ripped through Tillys life, tearing it to shreds, and then he was gone, giving a stiff middle finger to a life of entitlement. He left her like he leaves them all-with little more than a broken heart. But for Tilly, there was one more thing. He left her with an unbearable secret shes been forced to keep for years. Tillys privileged life, after her recent graduation from Mt. Holyoke, has come to a screeching halt under tragic circumstances. Had she really believed shed never see her Devil Dog stepbrother again? Now hes coming home-and shes forced to face his cocky smirk and arrogant swagger, to look once again into the eyes of the monster who left her. Forced to confront him, what she sees is a raw, broken, tortured man who just might be the only person she knows keeping even bigger secrets than she is. Worse, she still wants him. Even if it means breaking everything in her life wide open-even if it means unleashing the Beast.
