BOOK SYNOPSIS

From the founding editor of Cleis Press bestselling Best Lesbian Erotica series (also available from Turnaround) comes a daring new project - a collection of erotica by and for transfolk, FTMs, MTFs, genderqueers, gender outlaws and two-spirited, intersex and gender-variant people. Many of the characters populating the pages of this sizzling collection consciously reinvent, re-imagine and play with gender during sex. The names they give themselves or each other during sex can taunt and tease - but they always signify the presence of gender.
