BOOK SYNOPSIS

This collection of Ovid's poems deals with the whole spectrum of sexual desire, ranging from deeply emotional declarations of eternal devotion to flippant arguments for promiscuity. In the *Amores*, Ovid addresses himself in a series of elegies to Corinna, his beautiful, elusive mistress. The intimate and vulnerable nature of the poet revealed in these early poems vanishes in the notorious *Art of Love*, in which he provides a knowing and witty guide to sexual conquest - a work whose alleged obscenity led to Ovid's banishment from Rome in AD 8. This volume also includes the *Cures for Love*, with instructions on how to terminate a love affair, and *On Facial Treatment for Ladies*, an incomplete poem on the art of cosmetics.

THE EROTIC POEMS PENGUIN CLASSICS - Are you looking for Ebook The Erotic Poems Penguin Classics ?
