BOOK SYNOPSIS

The irresistible stars of I Must Have Bobo! return in another everyday adventure in domestic disharmony, complete with an audio recording! Willy wants to write a storybook starring Bobo—and act out revenge fantasies on Earl—but Earl keeps wrecking the story (hence the desire to act out revenge fantasies!). Quit it, Earl...and stop stealing Bobo! But sometimes it only takes a small thing to realize that even sworn enemies have something in common. For instance: Bobo and Earl both have very snakey tails! Is that a truce? Don't count on it.
