BOOK SYNOPSIS

Amir Botros, the younger brother of Sheikh Tariq Botros, could not be more different than his brother. He is a notorious womanizer, but he may finally have met his match. Soraya cant believe how the arrogant and obnoxious Amir Botros could be so rude! He was always showing up to her university or the restaurant where she works uninvited. He wont leave her alone and wont take no for an answer. So why is she so attracted to a man she knows she should hate? To Amir, Soraya is fascinating. She is beautiful, elegant and fiercely intelligent - very different from the dozens of other girls he had been with. She constantly pushes him away, rejects him in public and refuses to return his calls. There was absolutely nothing he could do to make her smile. Not once had he been able to make her feel comfortable around him. She never let her guard down around him. But when he kisses her she melts into his arms.. he couldnt figure her out. She was his biggest challenge. He knew one thing; he was not going to give up on her. However, when he discovers Soraya is related to one of his closest friends, hell have to decide how far he will go to win her over..
